Have a Heart

Showing love and kindness to our friends, family, and community is one of the things Girl Scouts do best.

Beautiful Inside and Out

Draw a picture of yourself and point out all the things you love about YOU!

Count the Ways

You can show love by saying "I love you," calling a relative, or taking care of someone else. Can you think of even more ways?

Power of Love

People called activists use their love of the planet, animals, and fairness to make the world a better and safer place. Have each person in your family make a sign about the things or people they love and think should be protected.

Spread Joy

Make a Valentine for a neighbor to show you care.
