Dear Parents,

June 11, 2018

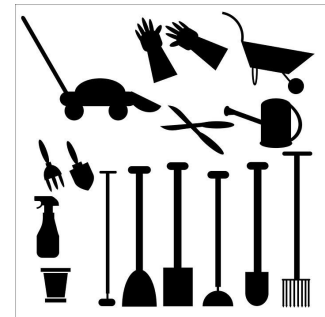

This year we are growing a Learning Garden at our school and we need your help! Here is how you can help:

- **Assist with watering, weeding and harvesting the garden over the weekends, holidays and summer vacation. (please fill out bottom portion to volunteer)**
- Assist teachers in garden-based classes.
- Help out at garden events like planting or harvesting days or classroom performances in the garden.
- Planning around the growing season.

We also need donations of garden tools or supplies such as: hand shovels, buckets, watering cans, salad spinners, bowls, work gloves for kids, etc. We would love to have you be a part of this amazing opportunity to engage with your student in a culture of healthy eating and outdoor learning. Please reach out with interest to our Garden Team-Ms. Garrity, Ms. McGhee and Ms. Pineda

Thank you,

Garden Team at Corkery School

Please return the bottom portion as soon as possible.
